Pyrosol® LAL Reconstitution Buffer Certificate of Compliance

Pyrosol® LAL Reconstitution Buffer is an endotoxin-free* buffer intended as a reconstitution solution for multitest vials of Pyrotell® gel-clot and Pyrotell®-T turbidimetric *Limulus* Amebocyte Lysate (LAL).

Pyrosol® lot #: 226-545

Catalog #: BC051

Expiration Date (YYYY-MM-DD): 2027-05-02

This lot of Pyrosol® Buffer meets the specifications of Associates of Cape Cod, Inc.

*“Endotoxin-free” in this application means that Pyrotell®-T reconstituted with Pyrosol® has less than 0.001 EU/mL (US Reference Standard Endotoxin).
